It's a Revolution! Of the Beijing mule-kind with an army of mint, limes, vodka, peach liqueur and a pang of chili. Shot with some ginger beer

MAO-GARITA /19

MAO would have loved this cocktail of hardcore tequila, Fireball Cinnamon whiskey and lemon juice, rimmed with mysterious Szechuan sugar & spice! Thanks for the name regular!

BEIJING HAZE /18

Is that a Beijing Haze brewing in your glass? Oh, it's just Chambord, Bacardi and joys of an adult lemonade spider

CLASSIC LIAM

Cheeky one for all the 小三 (xiao san meaning 'Mistress' or quite literally 3rd wheel) out there! It's pink and it's so pretty! You will enjoy sipping on young grapefruit, aloe vera and Chinese Baijiu
