

SANYA

Sanya Bar is all about good times and authentic Beijing-fusion tapas and street food with an edge on Lonsdale Street!

We are bringing memories of the Aussie-Chinese expat social life straight from the hutongs of 北京 Beijing to 堪培拉 Canberra. Ah yeah, the good old days of eating 串儿 (chuar) aka cumin and chili lamb skewers by the side of the street with a long neck...

SO HOW DOES THE MENU WORK?

We show case “Beijing Street Food” so you gotta try the Jianbing aka Chinese Egg Burrito and 串儿 (chuar). And, from there we amp it up to bring you some awesome #Nuskool #Chinese! Fusion this! Burgers! Tapas (...like innovative yum cha! We have taken it to the next level) and mouth-watering desserts. Just you know everything is Chinese and all the borders around it. Check out the Fringe Map near Marilyn!
