

THE Botany

BAR & RESTAURANT

795 Maryhill Road, Glasgow, G20 7TL

The Botany pays homage to the nearby sub-district of Maryhill, so called as the starting point for prisoners departing from the Forth and Clyde canal to the penal colonies of Botany Bay, Australia!

The Botany's name is also a nod to the nearby Botanical Gardens which helped establish our vision of bringing a fresh, ingredient driven menu to the Maryhill food scene.

This same philosophy is applied to our seasonal cocktail menus, extensive wine list, quality gins and whisky.
