NON-GLUTEN CONTAINING INGREDIENT PIZZA & PASTA (NGCI)

Our Non-gluten Containing Ingredient Pizza bases are made separately in our bakery with all the care and passion we put into our dough. We make our non-gluten containing ingredient dough from only the best, non-gluten containing ingredient flour, sunflower oil, water, dry yeast and just a little salt. This pizza base is then prepared in our pizzeria so there is a risk of gluten exposure, this also applies to our non-gluten containing ingredient penne pasta.

We cannot recommend the pizza and penne pasta for customers with celiac disease. Customers with gluten intolerance should make their own judgement in consuming this pizza or pasta.

Non-gluten containing ingredient pizza base - 14" add £2.00 - 10" add £1.50.
Non-gluten containing ingredient penne pasta - Add £1.50

WE LOOK AFTER OUR VEGANS

Our Grated Vegenarella - is a free-flowing grated vegan substitute for cheese, made with vegetable oil.

If you would like vegan cheese add £2.50 for 14" and
£2.00 for 10" to the menu cost of the pizza

PARMESAN CHEESE

Gran Moravia is a fantastic quality cheese which uses vegetable rennet as opposed to animal rennet so it's suitable for vegetarians. Our customers deserve the best quality parmesan.

All our dishes are prepared in kitchens where nuts, flour and dairy products are commonly used, we regret that we cannot guarantee that our dishes are completely free from traces of gluten, lactose or nuts.
